WINS POINT IN EFFORT TO ANNUL MARRIAGE

All motions and demurrers in the effort made by the defendants to have the case of Isaac Miller, by A. M. Fry, guardian, vs. Ida M. Hoffman dismissed were overruled this afternoon by Judge Galloway, in department No. 2 of the circuit court, and an order was issued by the court requiring the defendant to appear on or before October 6 to make final argument.

This is a case wherein the plaintiff's guardian is seeking to annul the marriage of Miller to the defendant on the grounds of fraud. In the complaint filed by plaintiff, and which has been upheld by Judge Galloway so far, it is alleged that the complainant is owner of \$30,000 worth of property in Marion county, and that the defendant, urged by M. La Velle Edlin and La Clair Edlin, who are alleged to have conspired to defraud the plaintiff out of his holdings, married plaintiff for no other reason than to gain possession of the \$30,000 estate. It is further alleged in the complaint that a fraudulent marriage license was obtained and that the entire marriage ceremony was not in accordance with the law.

Judge Galloway, in holding for the plaintiff on motions, declared that the court reserves the right by law to annul any marriage which was brought about by fraud, and, unless the defendant appeared and shows sufficient grounds for a reasonable belief that the marriage between herself and the plaintiff was legal, the case will be dismissed definitely October 6.

McNary, Smith and Shields appear for the plaintiff.

HOSMER'S CASE IS FIRST TAKEN UP

Grand Jury Begins Its Labors and Hears Evidence Against Silverton Journal Editor.

DISTRICT ATTORNEY HILL HERE TO AID PROSECUTION

Will Assist Deputy Keyes in Rounding Up Evidence for Consideration of Grand Jury.

The Marion county grand jury opened the October term this morning at 10 o'clock, the date having been advanced on the docket, at the request of those chosen to serve, for the reason the term conflicted with the state fair dates originally.

The first case to come up for consideration this morning was that of the State vs. J. E. Hosmer, the defendant being charged in the justice court with criminal libel, alleged to have been brought about by certain articles the defendant published in his newspaper, The Silverton Journal, against the Benedictine convent at Mt. Angel.

District Attorney Gail Hill came down from Albany on the morning Oregon Electric to give his personal attention to the examining of the cases on the docket for the present term, and Deputy District Attorney Keyes will assist him.

The list of cases to be considered this week is as follows: State vs. J. E. Hosmer, libel; state vs. C. H. Mattox, assault with a deadly weapon; state vs. Locke Brown, obtaining money under false pretenses; state vs. Wm. Tweedie, soliciting for a hawdy house; state vs. Frank Ayres, armed with a dangerous weapon; state vs. W. J. Sterling, giving liquor to a minor; state vs. James Hines, uttering forged instrument; state vs. Willie Oliver, statutory rape; state vs. William Tracy and R. M. Allen, forgery; state vs. Frank Tollard, larceny; state vs. Charles Forman, larceny; state vs. Frank Arthur and Oscar Hedrick, larceny.

GRAND JURY ACTION

(Continued from page one.)

on her noticeably today and, although there is always a chance of recovery as long as there is life, it is more than probable that the woman will die sooner or later from the wounds received by the revolver held in the hands of Homer Yates.

Action Is Delayed.

In speaking of the case today, District Attorney Gail Hill said: "The Marion county grand jury will not be presented with this matter until the ultimate outcome of Mrs. Hayes' present condition arrives. If the woman lives, Yates will be charged with the crime of assault with the intent to kill, but if she dies, the defendant will be charged with murder in the first degree and, in either case, the grand jury at this term will be asked to examine the case."

Dr. Robertson said today that the woman has very little chance of recovery. He said that while there is life in her body, there is always that mere opportunity of saving her. The wound in the neck and lungs is such, said the doctor, that the patient is rendered wholly helpless and if she recovers, it will be on account of her physical ability to withstand the shock.

Thus, while Mrs. Hayes is now in the shadow of death, her lover, Homer Yates, is under the shadow of the hangman's noose.

GIRLS! DRAW A MOIST CLOTH THROUGH HAIR

Try This! Hair Gets Thick, Glossy, Wavy and Beautiful at Once--Stops Falling Out.

Immediate! Yes! Certain! That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this--moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair--fine and downy at first--yes--but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Kuonitron's Danderine from any drug store or toilet counter and just try it.

GOVERNOR WITHHOLDS DECISION FOR WEEK

Governor Felker Will Probably Hand Down Decision in Harry K. Thaw Case Next Tuesday.

JEROME'S ARGUMENT IS VERY BRIEF IN CASE

Says Escaped Lunatic Was Indicted by Grand Jury But Bill Was Laid Over for While.

[UNITED PRESS LEARNED WIRE.]

Concern, N. H., Sept. 24.--Governor Felker will not hand down his decision in the attempt to extradite Harry K. Thaw, the fugitive from Matteawan asylum for the criminal insane, until next week.

After listening to the arguments of Thaw's attorneys and that of former District Attorney Jerome, of New York, Governor Felker took the case under advisement and probably will give his decision next Tuesday. The defense, however, must file its briefs before Monday.

Jerome's argument was brief. He declared New York state was resorting to no subterfuge in its efforts to secure the prisoner's extradition. A grand jury, he said, had indicted Thaw, but later laid the indictment over, awaiting apprehension of another man wanted in connection with the charge. Jerome also said the New York authorities were anxious for Thaw's return because from the time of Stanford White's murder the Thaw millions had been used freely to defeat justice.
